*(This is based a little bit on their level of
difficulty, a little bit on the likelihood that
the tune will come up during a jam session
or class, and a little bit on the type of tune
it is: the key, the tempo or feel, how
common is the chord progression etc.)*

- Guitarists take note: Start by learning the basic melody written below, but be aware that Django played a harmony part that starts a minor 3rd (3 frets) lower. I encourage you to try learning that part by ear some time in the future.
